Swim Club Memberships

Swim Club memberships allow individuals and families to take full advantage of all of the Swim Club's benefits and ensure membership from year to year (provided the yearly membership is maintained). To become a **Swim Club Member** bond shares must be purchased when the membership is first activated (this is not a recurring annual cost). One bond must be purchased for a single adult membership and two bonds must be purchased for all other membership packages. Each bond costs \$110.00. For new members, payment for bond shares & annual dues should accompany your completed application. **Ask about our Money Back Guarantee for New Members!**
